

ABOUT THE BOARD

Mission Statement

Endeavour to share the message and life of Christ cross-culturally and internationally, making disciples and assisting wherever, whenever and however possible as mandated (Matt. 28:19-20) and with the approval of our governing organization.

Purpose

The purpose of the Board of Missions is to carry forward the missionary work of the Assembly internationally, and when appropriate, share in various ministry projects of the Church of God in Western Canada as well as those of the Church of God Ministries in Anderson, Indiana. This may include:

- Assisting overseas missionaries and other missionary enterprises.
- Recommending suitable projects for churches and individuals.
- Sponsoring mission seminars and rallies.

The BOM accomplishes mission work in different ways:

1. Through the World Service Budget which is supported by the churches in Eastern Canada. This budget is presented to the General Assembly at the annual meeting of the COGEC for approval of the proposed projects. Presently the world service projects support missionaries and their work in various fields. (see link to Missionaries supported)

FUND POLICY STATEMENT:

"Funds designated for an approved and specified project, ministry or program will be used for that project, ministry or program. However, when any such project, ministry or program need has been adequately met, or where such project, ministry or program cannot reasonably be carried out in a timely manner, the donor agrees that such designated funds may be used as and where needed by The General Assembly of the Church of God in Eastern Canada."

2. Through projects that are self-sustaining like:

- a. the Furaha Africa Child Sponsorship Program (FACSP)
- b. the Haiti Children of Hope Child Sponsorship Program (HCOHCSP)
(see link to Furaha and Children of Hope)
- c. the Australia Church Plant project
- d. other projects within the countries and areas where our Missionaries are working (see link to project classification)
