## Trip to Haiti November 2011

Haiti is home to thousands of the world's poorest children. It is estimated that half a million children are living in the streets, in crowded orphanages or in makeshift camps. They receive no education, suffer from poor health and have very little food. Without help, there will be no change.

From November 15 -22, 2011, a group of 15 volunteers and medical professionals will be traveling to ~~Salntard~~, which is located approximately 50 miles north of Port-Au-Prince. While in ~~Salntard~~, we will primarily be working to improve the quality of life at a nearby tent city, which is still feeling the effects of the devastating earthquake. Our plans include building 2 soccer fields (nets & frames), providing medical assistance, distributing beans and rice for a feeding program, hosting two women's conferences and a day of activities will be planned with the children in the orphanage in ~~Salntard~~.

In addition, our goal is to deliver 500 women and families, a reusable bag filled with much needed items. Some of the items needed most are:

- |                               |                             |                    |   |
|-------------------------------|-----------------------------|--------------------|---|
| Advil (adult)                 | <del>Copaxone</del> Cream   | Vaseline (small)   | <del>Mr Noodle Soup</del> <del>pkgs</del> |
| Tylenol (adult)               | Bandages                    | Toothbrushes       | Granola Bars/Energy                       |
| Chewable Tylenol (children)   | <del>Polysporin</del> cream | Toothpaste (small) | Bars                                      |
| Antacids                      | Vaseline/saline eye drops   | Emery boards       | Recycled/New cloth                        |
| Vitamins (children and adult) | Soaps (hotel size)          | Washcloths         | bags                                      |
|                               | Lotions (hotel size)        | Sanitary napkins   |   |

All items, including unopened bottles of vitamins/medication will be collected up until Friday, November 4<sup>th</sup>, 2011. Please note that it is required by customs in Haiti that vitamins/medications should not expire before December 2011.

The purpose of this letter is to raise awareness and funds for this trip. One Hundred percent (100%) of all donations, whether it is monetary or in kind, will be used to assist the children & families in Haiti. Tax receipts will be provided for donations over \$20.00.

Thank you for your generous donation. You are a key participant in making a direct difference in the lives of hundreds of children and families.

Sincerely,

Karen Goodyear
