

# COGEC Regional

UPDATE

## BUILDING OUR FUTURE

Until GA 2020

### Prayer Strategy

1 Thessalonians 5:16-18

2 Chronicles 7:13-a14; James 5:13-16

Daniel 9:18; Philippians 4:6-7

Matthew 6:5-13; Mark 11:24-25

### Directions:

Wherever you are, stop and pray at the same time as brothers and sisters across the region. Allow God to examine you and your heart. Be where God wants you to be in your relationship with Him and respond to what He shows you. Pray for our region and that our Great God, Who says He will build His Church – will do that in and through us.

## 2020 CHALLENGE

WITH OUR 100<sup>TH</sup> GA NEXT YEAR, WE WANT TO SEE GOD VERY PRESENT

This is an opportunity for us as a region to seek the Lord consistently and for Him to be at work in us and through us to further His Mission! What better way to focus on Jesus: His Word and Mission than to regularly stop as a united group to pray. That's why I am asking you to commit to participating in the 2020 Challenge. Each day, at 20:20 (8:20 p.m.) you are asked to stop and pray – seeking God on behalf of the region.

Confess, repent, worship, express thanks and adoration to God, and pray for our region: for right hearts before God; for a love for and obedience to His Word; for a love for one another that is rooted in Christ; for missional hearts and a willingness to respond when Jesus opens a door for the gospel; \* so that those around us will see and want to know this Jesus who transforms lives, and is transforming us more and more into His image. Be ready to be on mission and to share those things that the Lord is doing through the year and at our 100<sup>th</sup> General Assembly!
